Maricopa County Waste Resources & Recycling Management is dedicated to educating county residents on the solid waste issue: proper waste disposal and services, waste reduction and recycling, and illegal dumping activities. Contact Valinda Marquez, at (602) 525-6487 for more information.

Maricopa County Waste Resources & Recycling Management provides solid waste transfer and waste tire recycling services in cooperation with the cities and towns and businesses. Assist private businesses with an ever increasing focus on reducing the amount of waste generated, maximum practical resource recovery, proper management of special wastes, and environmentally sound disposal.
