FIRE DISTRICT OF SUN CITY WEST BOARD OF DIRECTORS RESOLUTION #12-0621-3

WHEREAS the Fire District of Sun City West (the District) has adopted the 2012 International Fire Code as amended (the 2012 Code) and desires to update its fee schedule to reflect this change; and

WHEREAS the purpose of the 2012 Code is to establish the minimum requirements consistent with nationally recognized good practices for providing a reasonable level of life safety and property protection from the hazards of fire, explosion or dangerous conditions in new and existing buildings, structures and premises and to provide safety to the public and to firefighters and emergency responders during emergency operations; and

WHEREAS false alarms impact the District's ability to respond to actual emergencies; and

WHEREAS A.R.S. §48-805(B)(13) permits the District to adopt resolutions establishing District fee schedules and to impose plan review and other fees for fire protection, life preservation and other District services; and

WHEREAS in response to the challenges posed by new development and redevelopment and false alarms the District in September, 2000 adopted Resolution #914200A, executed on September 14, 2000, by the District's Board, so adopting user fee schedules pertinent to these issues, which Resolution later was superseded by successive resolutions of the District's Board, most recently by Resolution No11-0616-1, in order to update certain fees to be assessed from and after the date of adoption of each successive Resolution:

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Governing Board for the Fire District of Sun City West that the following fees shall be charged from and after July 1, 2012.

1. Fees for Construction Permits:

All property owners developing property within the District will generally be charged a fee according to the schedule set forth on Exhibit A, pages 4 through 13, inclusive, attached hereto and incorporated herein by this reference.

2. Fees for Commercial Operational Permits:

All property owners within the District seeking one or more commercial operational permits within the District's boundaries will generally be charged a fee according to the schedule set forth on pages 4 through 13, inclusive, attached hereto and incorporated herein by this reference.

3. Fees for Licensure Operational Permits:

All property owners within the District seeking one or more licensure operational permits within the District's boundaries will generally be charged a fee according to the schedule set forth on pages 4 through 13, inclusive, attached hereto and incorporated herein by this reference.

4. User Fees for Service Outside of Defined Response Area:

Services provided outside the District boundaries, where not otherwise governed by a written agreement or contract with the Fire District of Sun City West, or protected by a legally established fire district, will generally be charged to the property owner, patient and/or other responsible parties, as follows:

<u>Type of Apparatus / District Personnel</u>	<u>User Fee</u>
1. Firefighting Apparatus	\$1000.00 per apparatus/per hour*
Command / Support Apparatus	\$ 375.00 per apparatus/per hour*
Rescue / Ambulance	\$ 375.00 per apparatus/per hour* and/or Normal patient transportation fees
2. Additional Personnel	\$ 35.00 per employee/per hour*

*Normal staffing is included in apparatus fee

*30 minute minimum charge will be generally assessed for initial response, regardless of actual time elapsed. Call time over 30 minutes will be assessed in 15 minute increments thereafter. Timekeeping will begin upon the dispatch of the District apparatus and personnel and end upon the availability of each apparatus for District response.

5. False Alarm Cost Recovery User Fee:

A false alarm as defined by this Resolution is:

The activation of a Fire, Smoke and/or Medical Alarm System through mechanical failure, malfunction, improper installation, improper maintenance, unauthorized tampering and/or the negligence of the owner or lessee of the alarm system or of his or her employees or agents.

More than three (3) False Alarms within a twelve (12) consecutive month period, that occur within the Fire District and that cause response of emergency apparatus and crew(s), will generally be charged to the property owner, lessee or of his or her employees or agents, as follows:

1 – 3 alarm Activations----- No Charge
4 and Above ----- \$250.00 per incident

These charges will be assessed on a monthly basis.

This Resolution supersedes Resolution # 11-0616-1 in all particulars.

NOW, THEREFORE, be it resolved that the Chairman and Clerk be authorized to sign this resolution.

Approved and passed by the District Board of the Fire District of Sun City West this 21st day of June, 2012.
